

A RECORD OF ACTION A PROMISE OF MORE

Whatever the politicians say, on May 6th the choice of MP and local councillors is yours. We're happy to be judged on our record. **Farooq Qureshi** and the **Liberal Democrat Focus Team** campaign tirelessly on behalf of the people of Leyton and Leytonstone.

Year-round action

We fight fiercely for our neighbourhood and a better quality environment. We tackle tough issues for residents and lobby for local groups. And we do this week-in and week-out – not just at election time!

The others

The old parties are tired and stale. Locally, Labour has a dismal record of inaction and the Conservatives are truly feeble. It's only the Liberal Democrats who show commitment, enthusiasm and energy around here.

Vote for action

We tell you about our year-round action through our popular Focus newsletters and we hold regular help and advice surgeries for residents. So, with a Liberal Democrat MP, and your Focus Team on the council, you'll be guaranteed powerful and effective voices where decisions are taken. And we pledge that we'll continue to work hard, listen, consult – and actively serve you all.
